

University of Illinois Astronomical Society
and
Champaign-Urbana Astronomical Society
present

John Dobson

Astronomer, storyteller, monk

Co-founder of the
“Sidewalk Astronomers”
who bring the stars to millions

Pioneer of the telescope design that
revolutionized amateur Astronomy

Saturday, April 6, 2002 3:00 PM
Staerkel Planetarium, Parkland College

Hear **John Dobson** speak on
Stargazing

There will be a “**Star Party**” at the
U of I Observatory Saturday night beginning at 7:30, if
the sky is clear; otherwise Sunday at 7:30.
Come watch the stars with us!

Sunday, April 7, 2002 1:30-5:30 PM
151 Loomis Lab of Physics

John Dobson will share his unique views on
Cosmology (what Big Bang?) and Telescope Making:

1:30-2:45	Cosmology
2:45-3:15	Q&A session
3:15-3:45	break
3:45-5:00	Telescope Making
5:00-5:30	Q&A session
